

Newsletter April 2015

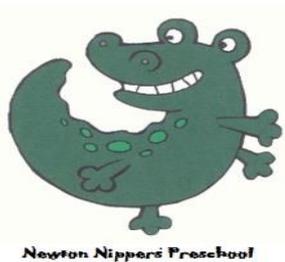

Here we are in the summer term already, the year seems to be flying by, the sunny weather has also appeared earlier than usual, which brings me onto my first subject for this newsletter. Please can you sun cream your children if possible before they come into preschool in the hot weather and the staff will reapply when required throughout the day. We will use the children's own cream but be reassured we do have our own supply should they not have any, can sunhats also be brought in please along with a spare set of clothes as water play is their favourite activity in these coming months.

On World book Day we dressed up as our favourite characters and acted out the story of Room on the Broom one of our favourite stories. One of the new owners of The Crediton Book Shop also came in to read the children some stories which they thoroughly enjoyed.

A big thank you to those of you that came in to our open week to speak to your keyworkers and look at your children's files, we hope you all found it interesting and useful, if you were unable to attend or would like to speak to your keyworker or a member of staff please feel free to ask as we can always arrange mutually agreeable times for this to happen. Leading on from our open week a couple of parents have asked if they can have a copy of their children's targets for the term, we have also devised some parent observation forms for you to use at home which we can then add into your children's records, these can be found in the lobby by the comment slip box. We will be sending the targets sheets home within the next week, if you have any queries or questions about either of these please do not hesitate to ask a member of staff.

We are in the process of finalising dates for the preschool sports day, summer trip and leavers performance, as soon as these have been confirmed I will let you know with more details.

A few parents have been asking about the transition for those children who will be starting in Class 1 in September. We hope that Miss Couch will be back after half term but in any event please be assured we will do our best to ensure they receive the best possible start into primary school life. When I have more information I will let you know.

Healthy cracker faces

Finally can I just remind everyone that the preschool day finishes at 3:15pm, we have had a lot of children being collected late which has an effect on the start of the after school club. Whilst we understand that sometimes things happen out of our control that results in us running late we do need to remind you that you will start receiving charges if you are more than 6 minutes over your collection time. Thank you for your cooperation in this matter.

Term dates

Half term – Monday May 25th – Monday May 1st (inclusive)

End of term – Friday 24th July
