

Newton Nippers Preschool

September 2014

Welcome back to the start of the Autumn Term, we hope you all had a good summer. An extra special welcome goes to our new children and their families who have joined the preschool.

At the end of last term we said goodbye to our oldest children who have just started on their next step on their learning journey, we have already had some waves and smiles from over the wall as they play outside, it is lovely to see them happy and content. The children will be visiting us at the preschool for some learning opportunities throughout the course of the week, this will be a valuable time for both preschool and the reception children to explore, discover and learn together.

Term dates

Autumn term – Monday 8th September

Half term- Monday 27th – Friday 31st October

Term ends – Thursday 18th December

Spring Term – Tuesday 6th January 2015

Term ends – Friday 27th March

Summer term – Monday 13th April 2015

Half Term – Monday 25th May – Monday 1st June (inclusive)

Term ends – Friday 24th July 2015

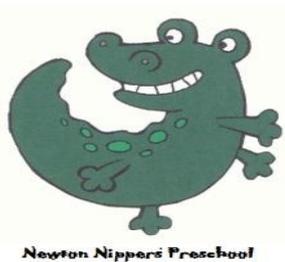

Toddler Group

This term we have introduced a toddler group to the preschool on a Monday afternoon, it will run from 1:30-3:00pm at a cost of £2.00 per family, this will include the use of the whole preschool and a snack. Please share this information with anyone that has younger children that would like to take up the opportunity to experience our well-equipped children's facility.

Key person

Please find an updated list of your child key person in the lobby, we have had to make some changes due to the staff rota this term but please be assured that your children's records will continue as before and should you wish to discuss this matter or anything concerning your child or the preschool please do not hesitate to speak to a member of staff who will arrange that for you.

Reminders

Please could you bring a spare set of clothes for your children, these are extremely useful so that we can change the children if they become wet or dirty during their learning experiences.

Please check your children's trays for any pictures or letters that we send home.

Please can the children's drinks bottles have their names on to ensure they have the correct drink.

Finally could we remind you that there is an on-going problem with parking around the school grounds, so to respect our neighbours could you please use the village hall car park and walk the

short distance up the hill. There is a footpath leading on from pump street that avoids you having to walk alongside the busy road.

Thank you for your continued support, if you have any queries or suggestions please speak to a member of staff.

Our end of term trip to Pecorama was a big success, the children thoroughly enjoyed their day especially the train ride.
