March 2013

Welcome back to the second half of the spring term. Our topic this half term is People who help us, we have arranged for some visitors to come in and talk to the children over the next few weeks to enhance their learning, we hope the children will enjoy the experience. Last half term we looked at shapes for show and tell, thank you to those who brought them in. Please can you remember to take your items home with you, so we don't misplace them. We will concentrate on colours from now until the summer. Please see the corresponding weeks for details.

Parent's Evening

Following the feedback from the children's assessment sheets, we have decided to hold a parent's evening on Tuesday 5th March, if you would like to see your child's keyworker, please put your name on the list in the lobby. If you are unable to attend on that day please speak to a member of staff and we can arrange another mutually convenient time. If you have not yet returned your child's form please could you do so ASAP as we need them for our records. Thank You.

Breakfast club

As a result from the last committee meeting, unfortunately the breakfast club will be closing at the end of this term, this was due to low numbers making it no longer financially viable. Sorry to anyone who this will affect. The After school club will continue to run on a daily basis until 4:30pm, if anyone is interested in using this provision please speak to a member of staff.

World Book Day

On Thursday 7th March it is World Book Day and we would like to mark the occasion by dressing up. The staff thought it would be nice for the children to dress up as who we would like to be when we grow up. For example; policeman, builder, teacher. The staff will also be participating, it should be quite entertaining.

New member of the team

Some of you may have noticed that Shelley has been working in the pre-school since January. She is working on a voluntary basis as she undertakes her NVQ level 2 in childcare. She has proven to be a very enthusiastic addition to our team.

Goldilocks and the Three Bears

Class 1 visits

For the children who will be starting school this September, we will be starting visiting class 1 in the next week. These visits will be on Tuesday, Thursday and Friday afternoon, we have tried to accommodate all the children that will progress on to school. These sessions are obviously likely to change if the school or pre-school has any other commitments on certain days. This will be beneficial to all the children in helping their transition to class .1

Thank you for your continued support, if you have any queries or suggestions please speak to a member of staff.
